

**IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF GEORGIA  
BRUNSWICK DIVISION**

TRE'VAUGHN BOWDEN,

Plaintiff,

v.

FCI JESUP ADMIN,

Defendant.

CIVIL ACTION NO.: 2:21-cv-95

**ORDER AND REPORT AND RECOMMENDATION**

Plaintiff filed this action, asserting claims under Bivens v. Six Unknown Named Agents of Federal Bureau of Narcotics, 403 U.S. 388 (1971). Doc. 1. This matter is before the Court for a frivolity screening under 28 U.S.C. § 1915A. For the reasons stated below, I **RECOMMEND** the Court **DISMISS** Plaintiff's Complaint in its entirety. Because I have recommended dismissal of all of Plaintiff's claims, I also **RECOMMEND** the Court **DIRECT** the Clerk of Court to **CLOSE** this case and enter the appropriate judgment of dismissal. I further **RECOMMEND** the Court **DENY** Plaintiff leave to proceed *in forma pauperis* on appeal. Finally, I **DENY as moot** Plaintiff's Motion for Leave to Proceed *in forma pauperis*. Doc. 2.

**PLAINTIFF'S CLAIMS<sup>1</sup>**

Plaintiff brings claims under Bivens relating to events occurring at the Federal Correctional Institution in Jesup, Georgia ("FCI Jesup"). Doc. 1. Plaintiff alleges on September 4, 2021, he was assaulted by another inmate inside his dorm. Id. at 4. Plaintiff was attacked

---

<sup>1</sup> All allegations set forth here are taken from Plaintiff's Complaint. Doc. 1. During frivolity review under 28 U.S.C. § 1915A, "[t]he complaint's factual allegations must be accepted as true." Waldman v. Conway, 871 F.3d 1283, 1289 (11th Cir. 2017).

with a lock by a single inmate, though several other inmates witnessed the attack. Id. at 5. As a result of the attack, Plaintiff suffered a two-centimeter laceration on his left temple (which required a staple), a broken right thumb, and a “hole” in his left knee. Id. Plaintiff provides no other details about the individual who attacked him or any details relating to Defendant FCI Jesup Admin’s actions. Plaintiff sues Defendant in its official capacity and seeks monetary damages for this purported violation of his constitutional rights. Id. at 2, 5.

### STANDARD OF REVIEW

A federal court is required to conduct an initial screening of all complaints filed by prisoners and plaintiffs proceeding *in forma pauperis*. 28 U.S.C. §§ 1915A(a), 1915(a). During the initial screening, the court must identify any cognizable claims in the complaint. 28 U.S.C. § 1915A(b). Additionally, the court must dismiss the complaint (or any portion of the complaint) that is frivolous, malicious, fails to state a claim upon which relief may be granted, or which seeks monetary relief from a defendant who is immune from such relief. Id. The pleadings of unrepresented parties are held to a less stringent standard than those drafted by attorneys and, therefore, must be liberally construed. Haines v. Kerner, 404 U.S. 519, 520 (1972). However, Plaintiff’s unrepresented status will not excuse mistakes regarding procedural rules. McNeil v. United States, 508 U.S. 106, 113 (1993).

A claim is frivolous under § 1915(e)(2)(B)(i) if it is “without arguable merit either in law or fact.” Moore v. Bargstedt, 203 F. App’x 321, 323 (11th Cir. 2006) (quoting Bilal v. Driver, 251 F.3d 1346, 1349 (11th Cir. 2001)). In order to state a claim upon which relief may be granted, a complaint must contain “sufficient factual matter, accepted as true, to ‘state a claim to relief that is plausible on its face.’” Ashcroft v. Iqbal, 556 U.S. 662, 678 (2009) (quoting Bell Atl. Corp. v. Twombly, 550 U.S. 544, 570 (2007)). To state a claim, a complaint must contain

“more than labels and conclusions, and a formulaic recitation of the elements of a cause of action will not” suffice. Twombly, 550 U.S. at 555.

## DISCUSSION

### I. Failure to State a Claim

The Eleventh Circuit has held a district court properly dismisses a defendant where a plaintiff fails to state any allegations that associate the defendant with the purported constitutional violation. Douglas v. Yates, 535 F.3d 1316, 1321–22 (11th Cir. 2008) (“While we do not require technical niceties in pleading, we must demand that the complaint state with some minimal particularity how overt acts of the defendant caused a legal wrong.”). As to Defendant FCI Jesup Admin, Plaintiff fails to identify this individual, describe the individual, or explain how the individual is connected to any constitutional violation. In fact, Plaintiff only identifies this unnamed Defendant in the caption of his Complaint, admits he was attacked by another inmate, and states “nobody else was involved” in the attack. Accordingly, I **RECOMMEND** the Court **DISMISS** claims against Defendant FCI Jesup Admin.

### II. Leave to Appeal *in Forma Pauperis*

The Court should also deny Plaintiff leave to appeal *in forma pauperis*. Though Plaintiff has not yet filed a notice of appeal, it is proper to address these issues in the Court’s order of dismissal. See Fed. R. App. P. 24(a)(3) (trial court may certify appeal of party proceeding *in forma pauperis* is not taken in good faith “before or after the notice of appeal is filed”).

An appeal cannot be taken *in forma pauperis* if the trial court certifies the appeal is not taken in good faith. 28 U.S.C. § 1915(a)(3); Fed. R. App. P. 24(a)(3). Good faith in this context must be judged by an objective standard. Busch v. County of Volusia, 189 F.R.D. 687, 691 (M.D. Fla. 1999). A party does not proceed in good faith when he seeks to advance a frivolous

claim or argument. See Coppedge v. United States, 369 U.S. 438, 445 (1962). A claim or argument is frivolous when it appears the factual allegations are clearly baseless or the legal theories are indisputably meritless. Neitzke v. Williams, 490 U.S. 319, 327 (1989); Carroll v. Gross, 984 F.2d 392, 393 (11th Cir. 1993). An *in forma pauperis* action is frivolous and not brought in good faith if it is “without arguable merit either in law or fact.” Napier v. Preslicka, 314 F.3d 528, 531 (11th Cir. 2002), *overruled on other grounds by* Hoever v. Marks, 993 F.3d 1353, 1363 (11th Cir. 2021); see also Brown v. United States, Nos. 407CV085, 403CR001, 2009 WL 307872, at \*1–2 (S.D. Ga. Feb. 9, 2009).

Based on the above analysis of Plaintiff’s claims, there are no non-frivolous issues to raise on appeal, and an appeal on these claims would not be taken in good faith. Thus, the Court should **DENY** Plaintiff *in forma pauperis* status on appeal.

### CONCLUSION

For the reasons set forth above, I **RECOMMEND** the Court **DISMISS** Plaintiff’s Complaint in its entirety. Because I have recommended dismissal of all of Plaintiff’s claims, I also **RECOMMEND** the Court **DIRECT** the Clerk of Court to **CLOSE** this case and enter the appropriate judgment of dismissal. I further **RECOMMEND** the Court **DENY** Plaintiff leave to proceed *in forma pauperis* on appeal. Finally, I **DENY as moot** Plaintiff’s Motion for Leave to Proceed *in forma pauperis*. Doc. 2.

Any objections to this Report and Recommendation shall be filed within 14 days of today’s date. Objections shall be specific and in writing. Any objection the Magistrate Judge failed to address a contention raised in the Amended Complaint or an argument raised in a filing must be included. Failure to file timely, written objections will bar any later challenge or review of the Magistrate Judge’s factual findings and legal conclusions. 28 U.S.C. § 636(b)(1)(C);

Harrigan v. Metro Dade Police Dep't Station #4, 977 F.3d 1185, 1192–93 (11th Cir. 2020). To be clear, a party waives all rights to challenge the Magistrate Judge's factual findings and legal conclusions on appeal by failing to file timely, written objections. Harrigan, 977 F.3d at 1192–93; 11th Cir. R. 3-1. A copy of the objections must be served upon all other parties to the action.

Upon receipt of Objections meeting the specificity requirement set out above, a United States District Judge will make a de novo determination of those portions of the report, proposed findings, or recommendation to which objection is made and may accept, reject, or modify in whole or in part, the findings or recommendations made by the Magistrate Judge. Objections not meeting the specificity requirement set out above will not be considered by a District Judge. A party may not appeal a Magistrate Judge's report and recommendation directly to the United States Court of Appeals for the Eleventh Circuit. Appeals may be made only from a final judgment entered by or at the direction of a District Judge.

**SO ORDERED** and **REPORTED** and **RECOMMENDED**, this 22nd day of November, 2021.
